I Just wanted to thankyou and express my gratitude towards prayaas team.

Before January 2025 for almost 1-1.5 years

All my studies are in scattered way confined to few references book only and lot's of unnecessary content.

But Because of prayaas within 2-4 months i come to know what should be the exact approach to prelims and lots of things related to studies, upsc, and others. And also self realisation of so many things.

The Nirvana course by Prayas 2.0 is honestly a game-changer for anyone struggling with the GS Prelims. It doesn't just focus on what to study but really dives into how to approach the paper smartly—like how to break down statements, eliminate options, and spot patterns. The techniques shared are super practical and feel like they're coming from someone who's actually been in the exam hall. If you've covered the syllabus but still find Prelims tricky, this course gives you that much-needed edge.

Good evening sir, team Prayaas 2.0 meet the expectations, standard. Jst done with the analysis of yesterday's test, got extra knowledge added, some questions wrong due to overthinking, some due to silly mistakes.

Thank you so much for everything!  
It's hard to put into words how grateful I am for the constant support, guidance, and motivation we've received throughout this journey. PRAYAAS 2.0 and the Pratham module have been more than just academic experiences—they've been emotional anchors and sources of strength in this overwhelming journey of UPSC prep. ✨

From day one, your commitment to our growth and success has been evident. You went above and beyond, giving us what you felt was missing in your own journey—and we truly felt that sincerity. Even when you were strict, we knew it came from a place of deep care and responsibility. ❤️

We may be signing off from this phase, but the impact you've made on us will stay for much longer. No matter what happens on May 25th, I'll always be proud to be part of this beautiful initiative. Thank you for believing in us, for pushing us, and for walking this path with us. 🙏

Wishing you all the strength to continue inspiring many more aspirants like us. This is not goodbye—it's just see you later. ✨

With heartfelt gratitude,  
A proud PRAYAAS 2.0 student 📖
